

It's a steep climb to the Trig Point on the top of Harts Hill. Your reward from this commanding summit is a rest at the picnic table from which to enjoy the beautiful and peaceful views across North West Bay to the Snug Tiers and the Wellington Range. The Harts Hill Landcare Group and members of the Trail Riders Action Club care for this area. A new link track now gives access to Barretta Reserve with its delightful open bush land and a network of tracks running through the reserve.

-  1 hour return
-  2.4 km return
-  Limited parking at Culbara Road end of track only
-  Natural grassy surface, steep climbs
