

scrubrit

pink robin

This nature walk guides you along a shaded gully filled with ancient and enchanting wet forest. Towering stringybarks, blackwoods, magnificent treeferns and a variety of understorey species can be enjoyed along the way. A cosy picnic shelter at the start of the walk invites you to stay a bit longer. Be prepared for leeches.

 30 – 40 minutes return

 1.4 km

 Ample parking at start of track

 Narrow bush track

 Walkers should not proceed past the end of the well-maintained track – Mavista Falls are inaccessible.
