Important Information about Requests for Amendments to Permits and Endorsed Plans

- A.** Pursuant to Section 56 (2) of LUPAA 1993, Council is able to amend a permit if it is satisfied that:
- is not an amendment of a condition or restriction, specified in the permit, that is required, imposed or amended by the Appeal Tribunal; and
 - does not change the effect of a condition or restriction, specified in the permit, that is required, imposed or amended by the Appeal Tribunal; and
 - will not cause an increase in detriment to any person; and
 - does not change the use or development for which the permit was issued other than a minor change to the description of the use or development.

If an application does not meet these requirements, a fresh planning permit application will be required.

- B.** Amended plans must clearly indicate all changes from the original endorsed plans, including changes to setbacks, heights, orientation, layouts and size etc. Use of highlighting or coloured lines to delineate changes is encouraged.
