

SPECIAL COUNCIL MEETING AGENDA

NOTICE is hereby given that a Special Meeting of the Kingborough Council
will be held in the Kingborough Civic Centre, 15 Channel Highway, Kingston on
Tuesday, 14 June 2022 at 5.30pm

Kingborough Councillors 2018 - 2022

Mayor
Councillor Paula Wriedt

Deputy Mayor
Councillor Jo Westwood

Councillor Sue Bastone

Councillor Gideon Cordover

Councillor Flora Fox

Councillor Clare Glade-Wright

Councillor David Grace

Councillor Amanda Midgley

Councillor Christian Street

Councillor Steve Wass

QUALIFIED PERSONS

In accordance with Section 65 of the *Local Government Act 1993*, I confirm that the reports contained in Special Council Meeting Agenda No. 11 to be held on Tuesday, 14 June 2022 contain advice, information and recommendations given by a person who has the qualifications or experience necessary to give such advice, information or recommendations.

Gary Arnold
GENERAL MANAGER

Wednesday, 8 June 2022

AGENDA of a Special Meeting of Council
Kingborough Civic Centre, 15 Channel Highway, Kingston
Tuesday, 14 June 2022 at 5.30pm

1 AUDIO RECORDING

The Chairperson will declare the meeting open, welcome all in attendance and advise that Council meetings are recorded and made publically available on its website. In accordance with Council's policy the Chairperson will request confirmation that the audio recording has commenced.

2 ACKNOWLEDGEMENT OF TRADITIONAL CUSTODIANS

The Chairperson will acknowledge the traditional custodians of this land, pay respects to elders past and present, and acknowledge today's Tasmanian Aboriginal community.

3 ATTENDEES

Councillors:

Mayor Councillor P Wriedt
Deputy Mayor Councillor J Westwood
Councillor S Bastone
Councillor G Cordover
Councillor F Fox
Councillor C Glade-Wright
Councillor D Grace
Councillor C Street

4 APOLOGIES

Councillor A Midgley
Councillor S Wass

5 DECLARATIONS OF INTEREST

In accordance with Regulation 8 of the *Local Government (Meeting Procedures) Regulations 2015* and Council's adopted Code of Conduct, the Mayor requests Councillors to indicate whether they have, or are likely to have, a pecuniary interest (any pecuniary benefits or pecuniary detriment) or conflict of interest in any item on the Agenda.

6 OFFICERS REPORTS TO COUNCIL

6.1 OPERATIONAL AND CAPITAL BUDGETS AND RATES RESOLUTION 2022/23

File Number: 10.47

Author: John Breen, Chief Financial Officer

Authoriser: Gary Arnold, General Manager

Strategic Plan Reference

Key Priority Area: 2 Deliver quality infrastructure and services.

Strategic Outcome: 2.4 The organisation has a corporate culture that delivers quality customer service, encourages innovation and has high standards of accountability.

1. PURPOSE

- 1.1 The purpose of this report is to present Council with the Operational Budget and Capital Works Budget for the 2022/23 financial year, for consideration.
- 1.2 The report also provides a recommendation to Council on a rates resolution to apply for the 2022/23 financial year.

2. BACKGROUND

- 2.1 The operational budget for 2022/23 represents a move away from the financial impacts of the pandemic that has affected Council's financial performance over the past two years.
- 2.2 In the 2021/22 operational budget Council was faced with uncertainty around the receipt of dividends from Taswater. Based on this uncertainty, Council's original budget forecast 50% of dividends being received during the year. Fortunately, Council is now confident that the full Taswater dividend will be paid which has allowed the financial forecast to move from an underlying deficit of \$0.58m to a break even financial result.
- 2.3 In May 2022, Council approved a new Long Term Financial Plan (LTFP). This LTFP provided a pathway for Council to deliver a sustainable underlying surplus from 2022/23 onwards. The delivery of an underlying surplus will ensure that sufficient cash funds are available to repay the majority of interest-free loans when they mature between 2023 and 2025.
- 2.4 Council has held workshop sessions over the past few months considering all aspects associated with the 2022/23 operational budget estimates and capital works program.
- 2.5 The following financial statements have been included within the Budget:
 - Budget Income and Expenditure Statement
 - Budget Capital Works Program
- 2.6 As part of the budget process, information on the capital and operational budgets has been provided to the community for feedback. A summary of the submissions received during the budget consultation period, is provided in the attached papers.

- 2.7 The budget submissions were reviewed by Council at a workshop held on 23 May 2022.

3. STATUTORY REQUIREMENTS

- 3.1 The *Local Government Act 1993* requires that the General Manager must prepare estimates of Council's revenues and expenditure for each financial year. Details are to include estimates of the following:
- revenue of the Council;
 - expenditure of the Council;
 - borrowings by the Council; and
 - capital works of the Council.
- 3.2 Part 9 of the *Local Government Act 1993* provides Council with the ability to determine the rates and charges that may be applied to properties within its municipal area.
- 3.3 The Act requires that rates must be set by Council not earlier than 1 June and not later than 31 August.
- 3.4 Estimates for the financial year must be adopted by the Council, with or without alteration, by absolute majority.
- 3.5 The *Local Government Act 1993* provides:

86A. General principles in relation to making or varying rates:

(1) A council, in adopting policies and making decisions concerning the making or varying of rates, must take into account the principles that –

- *rates constitute taxation for the purposes of local government, rather than a fee for a service; and*
- *the value of rateable land is an indicator of the capacity of the ratepayer in respect of that land to pay rates.*

(2) Despite subsection (1), the exercise of a council's powers to make or vary rates cannot be challenged on the grounds that the principles referred to in that subsection have not been taken into account by the council.

4. DISCUSSION

- 4.1 The attached Operational Budget (refer attachment 1) and Capital Works Budget (refer attachment 2) will be included in summary in the Annual Plan for 2022/23.

5. OPERATIONAL BUDGET

- 5.1 Council's 2022/23 budgeted net operating surplus before depreciation expense, capital related income, and interest and dividend income, is estimated to be \$11.02M, an improvement of \$0.14M on the 2021/22 forecast. The overall net result for 2022/23 is an expected surplus of \$6.12M, which is an increase of \$1.20M on the previous year's forecast surplus. The reason for the increase is the inclusion of an additional \$0.6 million in capital grants associated with the Transform Kingston project.

- 5.2 The removal of capital income of \$6.10m from the net surplus results in an underlying surplus for the year of \$0.02m.

6. CAPITAL WORKS BUDGET

- 6.1 The total capital works budget for 2022/23 is \$20.81M which includes \$3.8M for works on the Kingston Park project and \$2.9M on the Transform Kingston project.
- 6.2 Council has identified a need to focus capital investment into the replacement and rehabilitation of its infrastructure assets. There is also the need to deliver new and upgraded works to support a growing municipality. Council has balanced these competing priorities in the 2022/23 capital budget.
- 6.3 A summary of the capital works budget allocation for the respective functional areas is shown below:

SUMMARY	2021/22
FUNCTIONAL AREA:	\$'000
Roads, Bridges & Jetties	6,913
Plant and Equipment	1,450
Property	2,334
Stormwater	2,842
Kingston Park	3,800
Transform Kingston	2,900
On-Costs	568
TOTAL PROPOSED CAPITAL WORKS	20,807

- 6.4 Capital works are funded from several sources, as identified in the table below:

Capital Works Funded By	\$'000
Operational Funds (from reserves)	1,707
Operational Funds Generated (from cash flows)	12,400
Cash Reserves	3,800
Grant Funds	2,900
TOTAL	20,807

The capital works schedule included in the attached document outlines the 2022/23 program and provides an indication of the program for the ensuing four financial years. The projects identified for years 2 to 5 are subject to review and confirmation by Council as part of each annual budget cycle.

7. RATES & CHARGES

- 7.1 The operational budget includes a 2.8% rate increase in line with the Long-Term Financial Plan (LTFP) which was approved in May 2022.

- 7.2 The stormwater, garbage and recycling rates are recommended for an increase of 2.8% for 2022/23. An additional \$10 to \$32 increase, depending on bin size, will be applied to the garbage collection charge to cover the new State Government waste levy which is payable from 1 July 2022. Also due to significant increases in transport cost, the garbage, recycling and green waste collection charges will be increased from 1 July 2022. The garbage collection charge will increase between \$10 and \$30, recycling charges between \$4 and \$7 and green waste by \$7 per annum.
- 7.3 It is recommended that a Stormwater Removal Rate of 0.006462 cents in the dollar, with a minimum of \$77, be charged in respect of all rateable land within the municipality for the period 1 July 2021 to 30 June 2022. This will mean that only properties with a capital value over \$1.2M will pay an amount in excess of \$77.
- 7.4 The standard Garbage Collection Charge is recommended to increase by \$24 to \$180 for 2022/23.
- 7.5 The standard Recycling Collection charge to be increased by \$6 to \$83 for the year.
- 7.6 Council's Green Waste service including the food organics service will increase from \$95 to \$105 for the year.
- 7.7 The Fire Service Levy is determined by the State Fire Commission and Council is required under the *Fire Services Act 1979* to collect the levy on behalf of the State Fire Commission.
- 7.8 The rates which will apply to the various fire service categories, as a rate in the dollar of capital value, are as follows:
- Permanent Brigade 0.038020 cents (minimum \$44)
 - Volunteer Brigade 0.012457 cents (minimum \$44)
 - General Land 0.010669 cents (minimum \$44).
- 7.9 The *Local Government Act 1993* at section 128 specifies the penalty and interest structure that may be applied to late payments of rates and instalments. For 2022/23 the maximum interest that can be imposed is 8.13% of the unpaid rate or instalment. Council has determined that the maximum interest rate will be applied. The penalty will be 5% of the unpaid rate or instalment.
- 7.10 The date of the first instalment will be 15 August 2022. As in previous years, where a ratepayer is in financial difficulties and unable to reasonably meet their financial obligations to Council, arrangements may be made to extend the period within which the payment must be made.

8. FINANCE

- 8.1 The development and adoption of the Budget Estimates is an essential function of Council. To retain the current operating result, any subsequent reduction in income or increase in expenditure must be balanced by a corresponding adjustment in other items.
- 8.2 The associated rating resolutions are an essential element of the operational budget.

9. ENVIRONMENT

- 9.1 There are no environmental issues associated with this report.

10. COMMUNICATION AND CONSULTATION

- 10.1 As part of the budget process, information on the capital and operational budgets has been provided to the community for feedback.
- 10.2 Several submissions were received. The submissions and officer comments on the submissions (refer attachment 3) were considered at a Council workshop held on 23 May 2022.
- 10.3 An information brochure will be included with the the first rates instalment for the year. It also will be published on the web site and advertised through social media.
- 10.4 A media release will be issued following Council's consideration of the budget alerting the community to the rate increase for the next financial year and the projects and programs which underpin the budget.

11. RISK

- 11.1 The recent increase in the inflation figures for Tasmania does present a risk in terms of contracts where the escalation amount is tied to movements in CPI or related indexes.
- 11.2 Should the Estimates not be approved within the anticipated timeframe, it may not be possible to issue the rates notices in sufficient time to comply with the normal deadline for the first rating instalment. This would likely adversely impact both upon anticipated interest receivable and the cashflow.

12. CONCLUSION

The Operating Budget and Capital Works Program will form the keystone of Council's activities for the 2022/23 financial year. Whilst the estimates detail anticipated operational income and expenditure, it is recommended that the General Manager be authorised to make any minor modifications within the overall allocations that may be necessary for the efficient operations of that activity or service. As has been the past practice, all significant changes will be referred to Council for approval.

13. RECOMMENDATION

That Council:

- 1 In accordance with Section 82 of the *Local Government Act 1993 (as amended)* ('the Act') adopts, by absolute majority, the estimates of revenue and expenditure (excluding estimated capital works) for the 2022/23 financial year as detailed in Attachment 1;
- 2 In accordance with Section 82(6) of the Act, by absolute majority, authorises the General Manager to make minor adjustments up to \$50,000 to any individual estimate item as he deems necessary during the 2022/23 financial year provided that the total of the Estimates remains unaltered;
- 3 In accordance with Section 90 of the Act, makes a General Rate component for land within the municipal area for the period 1 July 2022 to 30 June 2023 of 0.199336 cents in the dollar of capital value, in respect of all rateable land within the municipal area;
- 4 Pursuant to Section 107 of the Act, by absolute majority, hereby varies the General Rate component (as previously made) for land within the municipal area which is used or predominantly used for industrial purposes to 0.374923 cents in the dollar of capital value of such rateable land;

- 5 Pursuant to Section 107 of the Act, by absolute majority, hereby varies the General Rate component (as previously made) for land within the municipal area which is used or predominantly used for commercial purposes to 0.407011 cents in the dollar of capital value of such rateable land;
- 6 Pursuant to Section 90(4) of the Act, in making a General Rate, sets a minimum amount of \$382, in respect of all rateable land within the municipal area for the period 1 July 2022 to 30 June 2023;
- 7 Pursuant to Section 129(4) of the Act, by absolute majority, determines that for a member of the class of ratepayers' whose liability to pay the minimum rate assessed in accordance with this Resolution Part 6 arises for more than one property in the municipal area a remission of the Minimum Rate requirement shall automatically be granted for such of that members properties which:-
 - a) only have erected upon them a boat shed, jetty, ramp or similar structure for access to littoral or riparian waters; or
 - b) do not have the qualities of a minimum lot, as defined by the Local Government (Building and Miscellaneous Provisions) Act 1993 (except where such land could be adhered to other lands in the same ownership so as to comprise a block which has the qualities of a minimum lot); and
 - c) the above remission may be withdrawn where the rates have not been paid in full by the due date;
- 8 Pursuant to Section 94(1) of the Act, makes the following charges for land within the municipal area for the period 1 July 2022 to 30 June 2023:
 - a) a Garbage Collection Charge of \$180 for each residential, industrial or commercial unit that is provided with a Council garbage collection service utilising a 80-litre mobile garbage bin, whether that service is used or not;
- 9 Pursuant to Section 94(3A) of the Act, by absolute majority determines to vary the Garbage Collection Charge as follows:
 - a) for each residential, industrial or commercial unit that is provided with a Council garbage collection service utilising a 120-litre or 140-litre mobile garbage bin the service charge is varied to \$255;
 - b) for each residential, industrial or commercial unit that is provided with a Council garbage collection service utilising a 240-litre mobile garbage bin the service charge is varied to \$403;
- 10 Pursuant to Section 94(1) of the Act, makes the following charges for land within the municipal area for the period 1 July 2022 to 30 June 2023:
 - a) a Recycling Collection Charge of \$83 for each residential, industrial or commercial unit that is provided with a Council recycling collection service utilising a 140-litre mobile recycling bin, whether that service is used or not;
- 11 Pursuant to Section 94(3A) of the Act, by absolute majority determines to vary the Recycling Collection Charge as follows:
 - a) for each residential, industrial or commercial unit that is provided with a Council recycling collection service utilising a 240-litre mobile recycling bin the charge is varied to \$127;

- 12 Pursuant to Section 94(1) of the Act, makes the following service rates for land within the municipal area for the period 1 July 2022 to 30 June 2023:
- a) a Green Waste (FOGO) Collection Charge of \$105 for each residential or commercial unit that is provided with a Council Green Waste (FOGO) collection service ;
- 13 Pursuant to Section 93 of the Act, makes the following service rates for land within the municipal area for the period 1 July 2022 to June 2023;
- a) a Stormwater Removal Rate of 0.006462 cents in the dollar of capital value of such rateable land within the municipal area.
- 14 Pursuant to Section 93(3) of the Act, in making a Stormwater Removal Rate sets a minimum amount of \$77, in respect of all rateable land within the municipal area for the period 1 July 2022 to June 2023;
- 15 Pursuant to Section 129(4) of the Act, by absolute majority, determines that for a member of the class of ratepayers' whose liability to pay the Stormwater Removal Rate assessed in accordance with this Resolution Part 13 arises for more than one property in the municipal area a remission of the Stormwater Removal Rate shall automatically be granted for such of that members properties which:-
- a) only have erected upon them a boat shed, jetty, ramp or similar structure for access to littoral or riparian waters; or
 - b) do not have the qualities of a minimum lot, as defined by the Local Government (Building and Miscellaneous Provisions) Act 1993 (except where such land could be adhered to other lands in the same ownership so as to comprise a block which has the qualities of a minimum lot); and
 - c) the above remission may be withdrawn where the rates have not been paid in full by the due date;
- 16 Pursuant to Section 93A of the Act and the provisions of the *Fire Service Act 1979 (as amended)*, makes the following rates for land within the municipal area for the period 1 July 2022 to 30 June 2023:
- a) a Permanent Brigade District Fire Rate of 0.038020 cents in the dollar of capital value, subject to a minimum amount of \$44 in respect of all rateable land within the Permanent Brigade Rating District.
 - b) a Volunteer Brigade District Fire Rate of 0.012427 cents in the dollar of capital value, subject to a minimum amount of \$44 in respect of all rateable land within Volunteer Brigade Rating District.
 - c) a General Land Fire Rate of 0.010669 cents in the dollar of capital value, subject to a minimum amount of \$44 in respect of all rateable land within the municipal area, which is not within the Permanent Brigade Rating District, or the Volunteer Brigade Rating District;
- 17 Pursuant to Section 124 of the Act, resolves the rates for 2022/23 shall be payable in four instalments, the dates by which the rates are due to be paid are:
- | | |
|-------------------|-----------------|
| First Instalment | 15 August 2022 |
| Second Instalment | 31 October 2022 |
| Third Instalment | 31 January 2023 |
| Fourth Instalment | 28 April 2023 |

- 18 Pursuant to Section 128 of the Act, resolves where an amount of rates remains unpaid after the due date, a penalty of 5% of the unpaid amount, together with interest on the unpaid amount at a rate of 8.13% per annum calculated daily in arrears, shall be applied;
- 19 Pursuant with Sections 89A, 92 and 109N of the Act resolves:
- a) if a supplementary valuation is made of any land prior to 30 June 2023, the General Manager may at his discretion adjust the amount payable in respect of any or all rates for that land for that financial year in line with the new valuation; and
 - b) If a rates notice is issued by the General Manager under sub-clause (a), the amount shown as payable on that notice is due to be paid within 30 days of the date on which that notice is issued;
- 20 Pursuant to Section 82 of the Act:
- a) adopts the Capital Works Program for the 2022/23 financial year as detailed in the Annual Estimates, Attachment 2;
 - b) notes the draft Capital Works programs proposed for financial years 2023/24, 2024/25, 2025/26 and 2026/27 as detailed in Attachment 2 which remain subject to change depending on other priorities being identified and financial resources which may be available at the time; and
 - c) in accordance with section 82(6) of the Act, by absolute majority, authorises the General Manager to make minor adjustments up to \$100,000 to any individual estimate item as he deems necessary during the 2022/23 financial year provided that the total of the Estimates remains unaltered.

Budget Consultation Submissions

Ratepayer	Submission	Comments
Glen Bayer	Just wondering if you could confirm that the cost of the footpath from Pearsall Ave to Hazel St is actually \$250k?	This involves the construction of a new footpath between 59 and 35 Wells Parade and also replacement of existing footpath between 32-38 Wells Parade, plus some kerb and channel replacement and rehabilitation of some sections of road pavement. So although it is predominantly new footpath works it includes some complementary works.
Louisa d'Arville	<p>I have had a look at the budget, and while I am not in a position to provide better feedback at this point I would like to ask what happened to the previously budgeted for footpath between Dianella Drive and Golden Grove Drive on Burwood Drive?</p> <p>It has been in previous budgets, however it has not been completed and is not in this budget. It is an area in desperate need of attention.</p> <p>While I have you, thank you very much for the new gravel path on Burwood Drive, it has been very well received, and as someone who walks the path multiple times a day I am seeing people using it that I have never seen before! Hooray for healthy activity in local neighbourhoods!</p>	This still remains in the five year plan, so although it was not deemed a priority for this financial year it remains high on the list for future years.
David Tonge	<p>I understood that the capital budget forward estimates had for some considerable time, an allocation in 2022 of \$1.5 million for the upgrade of Osborne Esplanade and a similar amount allocated on 2023. Can you please confirm that those allocations remain to be expended as forecast. If not, can you provide a detailed explanation as to why, so that members of the Kingston Beach Community Association can be fully informed.</p> <p>Thanks for your response to my email, I do however have a couple of follow up questions.</p> <ol style="list-style-type: none"> 1) The allocation that you have indicated amounts to \$1.66 million over FY 23 and 24. This is very nearly half of what had previously been in forward estimates for FY 22/23. <p>Bearing in mind inflation and increasing costs in the construction industry, it would appear that Works planned for Kingston Beach in the foreseeable are not to be undertaken and that the foreshore upgrade is to be a minimalist effort at best.</p> <ol style="list-style-type: none"> 2) Can you please advise in more detail on what plans for the Esplanade upgrade were the allocations for FY 23 and 24 based and what actual works are proposed. A drawing of the 	<p>The five year forward capital program provides an indication of possible projects over a 5 year window. Project positioning within the program depends on competing priorities and is reviewed and altered each year accordingly. Council has spent a significant amount of money in the Kingston Beach area over the last five years and is committed to undertaking future works including more work on improving the foreshore walk, (\$880K for 23/24 and \$800K for 24/25, this will complete the last two stages of the foreshore works). Unfortunately it is not always possible to fit all worthwhile projects within a budget but the foreshore works remain as a future priority for Council.</p> <ol style="list-style-type: none"> 1) Last years five year plan indicated expenditure of \$1.6M for the Kingston Beach foreshore split between years 22/23 and 23/24. The expenditure of \$1.68M now indicated for 23/24 and 24/25 is considered sufficient to complete

Ratepayer	Submission	Comments
	<p>proposed works would help.</p> <p>3) What proposed works that were included in the \$3 million forward estimates have now been omitted?</p> <p>4) Has Council allocated any funds for the upgrade of Balmoral Road.</p> <p>I am sure that you understand, with Council elections imminent, platitudes like “reallocation of priorities” will fall flat on this electorate, because we all remember the surf club fiasco to which Council was party and the hundreds of thousands of dollars which was misspent.</p> <p>There us also the issue of the disability ramp and the potential significant ongoing costs relating to its use.</p>	<p>the foreshore works.</p> <p>2) A map of the areas for works was provided.</p> <p>3) Costings in the five year plan are indicative only and are adjusted once more reliable estimates are available.</p> <p>4) Balmoral Road rehabilitation between HN 3 and 15 and Balmoral Carpark rehabilitation are both listed in the 5 year plan for 25/26 as is the replacement of Browns River pedestrian bridge indicated for 23/24</p>
Robert Scallon	<p>When does Council plan to implement the Kingston Beach Master Plan drawn up in 2008? Kingston Beach is the most visited part of the Kingborough municipality and while improvements have been made, a large section of the beachfront remains unchanged from the last upgrade in 1989. Additionally, the footpath on the housing side of Osborne Esplanade has been dug up so many times it is in urgent need of resealing. With all the new housing going up around the municipality, Council's rateable income has grown exponentially. The longer the work is deferred the more expensive it will become. More studies are not the answer.</p>	<p>Council has spent a significant amount of money in the Kingston Beach area over the last five years implementing the master plan and is committed to undertaking future works including more work on improving the foreshore walk, (\$880K for 23/24 and \$800K for 24/25), footpaths works on the western side of Osborne Esplanade, Browns River pedestrian bridge replacement, Balmoral carpark and road works and for next financial year traffic management works to slow traffic and improve pedestrian amenity.</p>
Anonymous	<p>Hi Councillor Cordover, we were wondering if in Council's upcoming budget if you could facilitate getting some money allocated to the main street of Margate? The main street has deteriorated severely over the past 5-10 years or more and has a number of issues (lack of parking, residential and industrial properties in a retail precinct, power poles in the middle of footpaths, no sheltered bus stop etc).</p> <p>Hopefully council can allocate some funds to improving the streets cape in the short term and also some funds to do some studies as to what can be done in the future to improve the main street such as a precinct style plan.</p> <p>Margate is the gateway to the Channel and Bruny and currently looks terrible and will only get worse unless things are done now to get the process in motion.</p>	<p>Funds will be allowed for in the 5 year plan to undertake a master plan for the main street of Margate.</p>

Ratepayer	Submission	Comments
A J Kingston	<p>I have a few questions about the draft budget please. The Spring Farm track to Whitewater Creek (\$269k) - is that for just connecting Spring Farm to the existing Whitewater Creek track? Will there be another section of track connecting Spring Farm to the Whitewater Park estate? If so what is the cost of that and when is that expected to be completed?</p> <p>I thought I'd read somewhere that there was going to be a playground at Spring Farm or Whitewater Park but I can't see it in the budget. If that is going ahead could you tell me the anticipated cost and when it is expected that it would be completed please.</p> <p>Someone said the design work had begun but they could be wrong. Also, has Council purchased the block of land to be used for the playground yet? I haven't seen anything announced.</p>	<p>Yes and Yes. There is \$143K listed in the 2022/23 capital budget to undertake the first stage of work to connect the Whitewater Park Estate to the Kingborough Sports Precinct. The total cost to connect to the Whitewater Creek track is ~\$500K.</p> <p>There is \$200K allocated to this project through the proceeds of recent land sales. Design work has begun and Council has a block of land acquired as a result of the required public open space contribution associated with the subdivision for the Spring Farm Estate.</p>
Kingborough Dog Walkers Association (KDWA)	<p>The Kingborough Dog Walking Association (KDWA) welcomes the opportunity to provide feedback on the draft 2022-23 Council Budget, as recently published on your website.</p> <p>KDWA would like to see resources allocated in the budget to develop a dog management strategy. The Council has many management strategies (e.g. open space, youth, play space and playground, public toilet, waste, weeds, bushfire, cycling etc.) but none for dogs. Around 40% of Kingborough households are dog owners (as noted in the Dog Management Policy) and there are around 6,200 dogs registered by Council. Dog registration revenue was \$388,000 in 2020-21 representing 76% of Community Services revenue for Council (based on data in the 20-21 Annual Report). As the population of Kingborough grows, so will the number of dogs.</p> <p>However, a review of the Council's five-year strategic plan reveals no mention of dog owners or facilities to support recreation with dogs. The word dog occurred only once in the 2021/22 Annual Plan in relation to the Kingston Park Project.</p> <p>We recognise that there are many and diverse recreation activities supported by council, and it is not feasible to mention each individually. However, the prevalence of dog ownership is such that it is desirable for there to be a long-term strategy to invest in dog accessible facilities and dog owner supports. This is particularly relevant given the intense competition for access to scarce community facilities and extremely limited areas for off leash exercise with dogs in a municipality that is seeing rapid population growth. Access to recreation facilities by dog owners frequently occurs jointly with other uses; however dog owners are restricted in access, particularly in off leash areas. Thus active</p>	<p>The acquisition of land at Dru Point from Taswater is acknowledged as an opportunity to provide additional space for dog walkers and negotiations on this matter are currently underway. If a budget allocation to acquire this land is required, it would be appropriate to utilise public open space funds for this purpose.</p>

Ratepayer	Submission	Comments
	<p>consideration for joint use is essential in every investment in recreation facilities and in the ongoing costs of maintenance. In commenting on the 2022/23 Council Budget, KDWA would ask to what extent investments in property reserves and playgrounds (totalling \$2,075,000 in 2022-23) considered dog access and utilisation for off leash and on leash exercise? In the immediate term KDWA would place a focus on the future utilisation of the land owned by Tas Water at Dru Point.</p> <p>In the immediate term KDWA would place a focus on the future utilisation of the land owned by Tas Water at Dru Point. This could provide a major boost to the recreation needs of dog owners and thus should be considered in budget planning. In the longer term (for both the Council Strategic Plan and Annual Budgets) KDWA proposes that there is an investment in the development of a dog owners/dog recreation strategy.</p> <p>Several examples of dog/pet management strategies in other Australian jurisdictions were identified in a brief web search. For example, the Sunshine Coast Council Management Plan for Domestic Animals observes that <i>"Careful planning is essential to ensure our community of pet owners and non-pet owners continue to thrive harmoniously. As urban development in our region grows and expands, the result is the potential for high density living combined with smaller lot sizes. ... population growth will result in increased demand and potential conflict for community access to our open space network. The Strategy outlines Council's commitment to effective and considerate planning that allows equitable community access to an open space network that can host a wide variety and diverse range of activities while recognising that it is also a unique and finite resource that requires protection ."</i></p> <p>Kingborough Council was very progressive in establishing the Dog Owners Handbook in 2019. There is now an opportunity to advance the issue of dog ownership in Kingborough to that of a strategic plan for effective use of scarce community resources and shared spaces and to continue to encourage responsible dog ownership.</p> <p>In summary KDWA seeks a specific investment in future budgets to achieve the following:</p> <ul style="list-style-type: none"> • resources to support development of a dog/pet management strategy for Kingborough, drawing on the Queensland example referenced • provision within the annual investment program for property reserves and playgrounds to ensure the needs of dog owners are considered with a focus on off leash exercise

	KDWA would appreciate the opportunity to discuss these ideas further at our next quarterly meeting with the Mayor and Council officers.	
Fiona Masters	<p>In response to calls for comments on the Kingborough Budget 2022, I am keen to see some long term planning for Dog & Family friendly spaces, rather than have a “ Dog Management” section, which implies a less inclusive view.</p> <p>Whilst I think Kingborough and the council have a reasonable attitude towards dogs in general, it would be great to see a more proactive attitude and acknowledgment of dog ownership in Tasmania and Kingborough in general.</p> <p>More and more families are moving into this area and with them come dogs. We need to have an active plan to ensure current and future spaces cater to families and their dogs - perhaps even inviting comments from dog owners and /or the Kingborough Dog Walking Association (I am a member).</p> <p>Let's proactive plan to create spaces (particularly in new sub divisions) rather than retrospectively adding when it's too little too late.</p>	Council acknowledges the importance of dog ownership within the Kingborough community and proactive planning to support the needs of dogs and their owners forms part of our strategic open space planning that will be fed into the development of the review of the Kingborough Dog Management Policy to be undertaken in 2023.
Joe Ellis	<p>Yet again so many of the capital works projects are in Kingston. A large percentage of total funding seems to be going to a very small area of Kingborough. The shared paths and underpasses etc will be very rarely used by anyone from Blackmans Bay, Margate, Snug etc.</p> <p>There doesn't seem to have been any explanation as to why some of this year's projects weren't completed (or even started?). I presume that this year's projects will be completed before the commencement of the 2022-23 projects? Our main concern is the promised major upgrade of Dru Point. I don't know why the Dru Point Master Plan was removed from the website? We hadn't heard anything about any progress with the project until another member of the public mentioned it on social media, which prompted a reply from the mayor. As there seemed to be some confusion as to what happened when, I have spent some time trying to find the relevant information.</p> <p>21st September 2017 - Public consultation closes.</p> <p>8th October 2018 - Council endorsed the master plan.</p> <p>Early 2020 - Teen Surfer circular swing removed.</p> <p>15 June 2020 - Dru Point Playground Upgrade added to Five Year Capital Works Program (\$300k pencilled in for 21-22 and \$450k for 22-23).</p> <p>30th July 2020 - All remaining Teen Rager equipment removed due to maintenance and safety issues.</p>	The Dru Point Playground project has been stalled due to the resignation of Council's Urban Design Officer In November 2021 and subsequent time delays in recruiting a replacement. We now have an officer on board who is working on the design based on a budget of \$495K that will include elements suitable for teenagers.

Ratepayer	Submission	Comments
	<p>Council stated that the area would be turfed "until we finalise designs for replacement equipment". (So planned expenditure was \$750k before the Teen Rager equipment was removed.)</p> <p>31st March 2021 - draft budget out for public consultation (later approved) including \$495k for Dru Point Playground Upgrade in this current financial year, plus \$450k pencilled in for 22-23 and \$300k for 23-24. During the consultation period Dean Winter released a video acknowledging that Council needed to get back to some of the regional playgrounds "Dru Point is going to get a major refurbishment" - this was to be one of the main capital works projects.</p> <p>We're now almost five years post consultation. When will the design work re specific equipment etc be completed? And can you confirm whether the \$495k budget now has to include a replacement for the Teen Rager equipment, or will one of the amounts allocated for future years' be allocated to that? This would seem appropriate given the funding estimates from before the Teen Rager equipment was removed. Also, the public consultation re Dru Point obviously was at a time when there was a significant section of the park allocated for teenagers. I'm sure any consultation post-removal would give different results. Given that the designers of Kingston Park seemed to overlook the requests/needs of teenagers, I hope that this vulnerable section of our community isn't disappointed again.</p>	
Kingborough Little Athletics	<p>Kingborough Little Athletics Centre (KLAC) would like to commend the Kingborough Council for the inclusion of both the Gormley Park ground renovation and club room funding allocation within the 2022-23 draft budget.</p> <p>While the priority of this investment may not be clear to broader members of the community that are unfamiliar with the Gormley Park sports ground. The site is long overdue for investment, with ground condition a critical factor in preventing delivery of a significant number athletic meets during the 2021-22 athletics season.</p> <p>The club room facilities have seen little improvement since construction in the 1980s. Facilities are no longer fit for purpose and need significant investment to bring them in line with modern expectations. The proposed investment by council would form the foundation of a larger grant submission to make the site accessible to all members of the community regardless of gender, belief or ability. Without this investment, there is little hope of this project succeeding in the near future.</p> <p>KLAC have a membership base of approximately 350</p>	Noted

Ratepayer	Submission	Comments
	<p>members, this includes 200 athletes and 150 social members (comprised mostly of parents and guardians). However, Gormley Park site is a mixed use sports ground that is regularly used by a much larger segment of the sporting community with soccer, cricket and football clubs regularly using the ground space. The site is also used by schools and the fitness sector within the community. This investment has the potential to touch a large portion of the Kingborough community.</p> <p>The investment will see renovation of the ground to fix drainage issues, level the ground and improving the quality of the turf surface, fixing the issue of athletes running uphill. The club room upgrade project will see inclusion of gender neutral disability toilet facilities, access improvements, restoration of change room facilities, provision of structured, undercover seating, improved storage, floor plan changes and improvements to maximise functional space and improve aesthetics.</p> <p>In summing up, this critical investment will pave the way for the site to effectively meet the needs of the community and ensure that this ground remains functional well into the future.</p>
