## TOWN SQUARE

**SIZE:** 18.5m x 14.9m  
**CAPACITY:** 650

Adjacent to the multi-purpose hall (Auditorium) is the Town Square. The two spaces are separated by a bi-fold drop down wall. This wall, when raised, allows both spaces to be used as one. 5-tonne rigging points have been installed along the roof area above the Town Square, providing the ability to fly production equipment
