Davies Road – seepage was identified around a collapsed bank and the gutters are always wet and smelly; however, it does not seem to be sewerage. To be investigated further.	Works Request to be submitted by group
Roland Painter noted the group will follow up on light pollution with Council. Group to clarify what area the initial request related to and contact Council to advise.	Roland Painter/Susan

Council Budget Priorities for 2023-24: Please find attached Budget Submissions from KCF2022-23 and provide any updates and additions by 23 December 2022.	All
Bushfire preparedness: Roland Painter noted that Blue Mountains Council waived DA fees for bushfire victims and wondered if Kingborough Council would consider applying similar regulations. Council took this question on notice.	In the event of a catastrophic event, such as the significant bushfires that have occurred in the past, Council would have the ability to consider if they wish to offer reduced or waived fees for Planning Permit applications for people to rebuild, however it would need to be determined by Council at that time.
