GUIDELINES FOR PUBLIC QUESTIONS

Section 31 of the *Local Government (Meeting Procedures) Regulations 2015*

Questions from the public may either be submitted to the General Manager in writing or asked verbally at an Ordinary Council meeting. Any question asked must only relate to the activities of Council [Section 31(2)(b)].

This guideline is provided to assist the public with the requirements of Public Question Time as set out in the *Local Government (Meeting Procedures) Regulations 2015* as well as determinations made by Council. You are reminded that the public question forum is designed to accommodate questions only and neither the questions nor answers will be debated.

Questions on Notice

Written questions on notice must be received at least seven (7) days before an Ordinary Council meeting [Section 31(1)] and must be clearly headed 'Question/s on Notice'. The period of 7 days includes Saturdays, Sundays and statutory holidays but does not include the day on which notice is given or the day of the Ordinary Council meeting [Section 31(8)].

Questions Without Notice

The Chairperson of an Ordinary Council meeting must ensure that, if required, at least 15 minutes is made available for public questions without notice [Section 31(3)]. A question without notice must not relate to any matter that is listed on the agenda for that meeting.

A question by any member of the public and an answer to that question is not to be debated at the meeting [Section 31(4)]. If a response to a question cannot be provided at the meeting, the question will be taken on notice and will be included in the following Ordinary Council meeting agenda, or as soon as practicable, together with the response to that question.

There is to be no discussion, preamble or embellishment of any question asked without notice, and the Chairperson may require that a member of the public immediately put the question.

The Chairperson can determine whether a question without notice will not be accepted but must provide reasons for refusing to accept the said question [Section 31 (6)]. The Chairperson may require a question without notice to be put on notice and in writing.

The Chairperson may rule a question inappropriate, and thus inadmissible if in his or her opinion it has already been asked, is unclear, irrelevant, offensive or relates to any matter which would normally be considered in Closed Session. The Chairperson may require that a member of the public immediately put the question.

9 QUESTIONS WITHOUT NOTICE FROM THE PUBLIC

10 QUESTIONS ON NOTICE FROM THE PUBLIC

10.1 Industrial Land Supply in Kingborough

At the Council meeting on Monday, 3 April 2023, **Mr Charles Biggens** asked the following question without notice to the General Manager, with a response that the question would be taken on notice:

Since 2013 has the total area of land zoned for industry in Kingborough reduced or expanded?

Officer's Response:

Council is unable to provide an accurate number of land area zoned for industrial purposes prior to the introduction of the Kingborough Interim Planning Scheme in 2015. In reviewing the mapping, the number of lots allocated for industrial purposes remained similar from 2013 to 2015. When the interim planning scheme was introduced in 2015, the municipality had approximately 90ha of light industrial zoned land and that figure was reduced to approximately 87ha when the old Vodaphone site at 15 Huntingfield Avenue, was rezoned from Light Industrial to Community Purpose in 2020.

It should be noted that there is a willingness from Council to identify additional industrial land in the municipality and that work is likely to occur as part the work of the 30-year Greater Hobart Plan and review of the Southern Tasmanian Regional Land Use Strategy over the next couple of years.

Adriaan Stander, Strategic Planner

10.2 Bush Fire Risk Report

At the Council meeting on 17 April 2023, **Professor Michael Rowan** asked the following question without notice to the General Manager, with a response that the question would be taken on notice:

I'd like to thank the Council for the provision of the Bush Fire Risk report and the map on page 112 of the agenda. Every evacuation route by land from Kingborough is classified as extreme risk. While that risk is based upon the risk to property, I assume Council would agree with me that the value of life is at least the same as the value of property, and therefore I ask

1. *Does this mean that every evacuation path by land for Kingborough residents is classified as a path of extreme risk?*
2. *If it is the case that no one in Kingborough will be able to evacuate the municipality by land without traversing a road classified as extreme risk, what percentage of the population of Kingborough can be safely accommodated in the municipalities "nearby, safer places"?*
3. *Are all Kingborough residents able to evacuate to a "nearby safer place" without travelling along a road in the municipality which is classified as extreme risk?*
4. *What options for the protection of life does Council recommend for those residents who could not access a nearby safer place without traversing a road classified as extreme risk, or indeed, for any who will not be able to be accommodated safely in their nearby safer place?*

Officer's Response:

1. It is always dangerous to be on a road during a bushfire. Segments of any evacuation route are likely to be high risk depending on the proximity of the fire.
2. Nearby Safer Places are not intended to accommodate anyone, as they are in fact places of last resort. Nearby Safer Places are usually an oval or large clear area. Nearby Safer Places are not the same as evacuation centres, which have support services and facilities on site. Evacuees are encouraged to go to evacuation centres only if they have nowhere else to go (friends/family). Nearby Safer Places are for very temporary shelter only (i.e. hours) as they will be impacted by ash, smoke and embers. The Tasmanian Fire Service advises that people identify an alternative place to stay prior to an emergency as part of their survival plan. The preference is to plan ahead and to go to family or friends and not to evacuation centres or Nearby Safer Places.
3. The Tasmanian Fire Service does not recommend anyone travels on roads during a fire (hence the 'leave early' message). The Tasmanian Fire Service especially does not want people evacuating to Nearby Safer Places. They are a place of last resort only. The Tasmanian Fire Service stresses that people should evacuate well before fire impacts their area. Council cannot guarantee that a road would be safe to travel on during a bushfire.
4. Council supports the Tasmanian Fire Service messaging that leaving early is always the best option (well before a fire impacts the local area). The Tasmanian Fire Service do not recommend travelling to Nearby Safer Places – they are a place of last resort. The Tasmanian Fire Service recommends that you only stay and defend if your property is well prepared, and you are physically and mentally prepared. The key messages from Tasmanian Fire Service are if you live in a Bushfire Prone area – you need to have a (written) plan and prepare your property prior to the fire season. Property owners can get detailed information about preparing for Bushfire emergencies from the Tasmanian Fire Service website.

Liz Quinn, Manager Environmental Services

10.3 Dog Waste Bags, Bruny Island

Ms Tammy Price on behalf of the Bruny Island Community Association submitted the following question on notice:

BICA has previously advised Council it would manage replacing the doggy waste bags at the identified locations of Cemetery Beach (Lunawanna), Pontoon (Alonnah), Dennes Point, and Adventure Bay once the dispensers have been installed. There are rubbish bins already at these locations, and there is no further infrastructure to be provided.

However, in the minutes of the 16th January 2023, Council advises, “the install is delayed due to the two new truck builds – and the existing contractor doesn’t have the facility to deal with dog bags”.

Could this please be clarified?

Is this to do with the construction of the dog waste bag dispensers? And if so – why can’t another fabricator be engaged or discussion occur with another Council regarding their supply?

Or is it to do with the management of the total process?

Given Council’s only obligation in this project is to provide the dispensers and the supply of bags once the installation occurs; volunteers have been identified to manage each distribution point locally with no additional staffing requirement from Council.

Officer’s Response:

Council is trialling standalone bins for dog poo and it is intended these will be installed in various locations around Kingborough, including Bruny Island in the coming months. The existing contract for Bruny Island Public Place bin collection does not cover dog poo collection and if varied would likely incur an increased cost. As such it is reliant on the changeover of the collection service to Kingborough Waste Services. This is dependent on the new trucks arriving which are expected in early May 2023.

David Reeve, Director Engineering Services

10.4 Alonnah Hall Maintenance

Ms Tammy Price on behalf of the Bruny Island Community Association submitted the following question on notice:

Bruny Island Community Association (BICA), together with the Hall Management Committee, is concerned regarding the overdue maintenance at the Alonnah Hall. We understand quite a number of months ago a representative from the Council attended and inspected the hall and noted the issues requiring attention. To date, none of these issues have been addressed. One issue being there is vegetation growing from the guttering (photo attached) and this is particularly concerning when the School draws its drinking water supply from the Alonnah Hall.

Can Council please advise what the maintenance schedule is for the Alonnah Hall and when we can expect to see some works occurring?

Officer’s Response:

Required maintenance works have been identified and provided to a contractor to undertake within the next few weeks.

David Reeve, Director Engineering Services

10.5 Ritchie Street, Alonnah

Ms Tammy Price on behalf of the Bruny Island Community Association submitted the following question on notice:

With Harvey Road currently being sealed and the increased traffic being diverted onto Ritchie Street, it has become a very busy road with excessive dust being created (on the dryer days), impacting residents' water supplies, and the increased usage proving dangerous for users (particularly walkers) on the road. As discussed with the Council's project management team, a temporary speed limit of 40km/hr was put in place for the duration of the roadworks. While this has improved the dust issue and slowed users for the short term, and with the sealing of Ritchie Street remaining on a distant wish list, the Bruny Island Community Association requests Council permanently lower the speed limit of Ritchie Street to 40km/hr following the completion of the Harvey Road sealing.

Officer's Response:

Speed limits are set to ensure consistency and a balance between traffic flow and local amenity. The speed limits can only be changed by the Commissioner for Transport and they will assess this against the relevant Australian Standards and Austroads guidelines which will consider factors such as safety, road condition such as width and alignment, traffic volumes, the amount of vulnerable users (pedestrians and cyclists) that may use it, and the number of intersections and accesses. In general, built up areas would have a 50km/hr speed limit, unsealed roads outside of built up areas, 80km/hr and sealed roads outside of built up areas 90km/hr. A 40km/hr speed limit is primarily used for school zones and high pedestrian zones. Based on the above it would not be appropriate to pursue a 40km/hr speed limit for Ritchie Road.

David Reeve, Director Engineering Services

11 QUESTIONS WITHOUT NOTICE FROM COUNCILLORS

12 QUESTIONS ON NOTICE FROM COUNCILLORS

12.1 Update on the LCZ Review

At the Council meeting held on Monday, 3 April 2023, **Cr Antolli** asked the following question without notice to the Acting General Manager, with a response that the question would be taken on notice:

Could council update us as to where we are in the review of the LCZ properties and how many currently have been rezoned out of LCZ?

Officer's Response:

The review of the draft LPS including zoning (and the Landscape Conservation Zone) is continuing and parts have been provided to the Tasmanian Planning Commission. Currently, the number of properties recommended to change away from Landscape Conservation Zone is approximately 470.

People will be able to make a formal submissions during the exhibition period regarding the proposed LPS including their proposed zoning. The process will also allow everyone who has made a submission to attend and speak at public hearings hosted by the Tasmanian Planning Commission.

15 OFFICERS REPORTS TO COUNCIL

15.1 DONATIONS POLICY 3.3

File Number: 12.81

Author: Tim Jones, Manager Finance

Authoriser: John Breen, Chief Financial Officer

Strategic Plan Reference

Key Priority Area: 1 Encourage and support a safe, healthy and connected community.

Strategic Outcome: 1.1 A Council that engages with and enables its community.

1. PURPOSE

- 1.1 The purpose of this report is to present a review of the Donations Policy 3.3 (see attached).

2. BACKGROUND

- 2.1 The Donations Policy was formulated in 2014, subsequently renewed, and is scheduled for review.
- 2.2 The policy was developed to establish Council's position in relation to requests for financial assistance.

3. STATUTORY REQUIREMENTS

- 3.1 The policy refers to requirements under section 77 of the *Local Government Act 1993* with respect to the statutory requirements relating to the provision of grants and benefits:

77. Grants and benefits

(1) A council may make a grant or provide a pecuniary benefit or a non-pecuniary benefit that is not a legal entitlement to any persons, other than a councillor, for any purposes it considers appropriate.

2) The details of any grant made or benefit provided are to be included in the annual report of the council.

4. DISCUSSION

- 4.1 In the last renewal of this Policy the payments to local schools for a citizenship award was moved from Mayoral Donations to Policy Donations. On reviewing the layout of the Policy it was considered the layout could be improved. Therefore in this policy each type of donation, Policy Donations and Mayoral Donations, are contained within separate headings. This has resulted in the marked up copies containing many changes. To assist in separating the policy changes from the layout changes, the policy changes are highlighted in yellow.
- 4.2 The amount paid for Interstate Representation has not increased in many years so a 50% increase is proposed. It should be noted that eligibility for these payments is not limited to sporting representation.
- 4.3 The next change is to specify Mayoral Donations will be for “one off” donations and not regular annual donations.
- 4.4 The final change is to provide guidelines around the donations. They should be more Kingborough focused and not for a generic purpose.
- 4.5 It should be noted that although the Policy will contain guidelines for the Mayoral Donations under 4.10 the Mayor will have discretion to provide donations outside this policy as long as they are in line with Section 77 of the *Local Government Act 1993* and within budget.
- 4.6 Attached is a marked-up copy of the Donations Policy highlighting the changes as well as a clean copy.

5. FINANCE

- 5.1 An annual budget of \$11,700 is allocated for donations which should be adequate to cover the increase in the representation payments.
- 5.2 The Mayoral donations budget is \$3,300 for 2022/23.

6. ENVIRONMENT

- 6.1 There are no environmental implications associated with the review of this policy.

7. COMMUNICATION AND CONSULTATION

- 7.1 Council's Donations Policy is publicly available on Council's website.

8. RISK

- 8.1 No risks to Council are identified in updating the policy.

9. CONCLUSION

- 9.1 The Policy layout has been improved to make the two types of donations clearer.
- 9.2 There is an increase proposed for representational payments and clarification guidelines for the Mayoral Donations.
- 9.3 The policy can be renewed with a minor amendment and will continue to provide guidance on the provision of donations.

10. RECOMMENDATION

That Council approve the updated Donations Policy 3.3.

16 NOTICES OF MOTION

16.1 Junior Toilet Facilities

The following Notice of Motion was submitted by **Cr Deane**

RECOMMENDATION

That Council provides access to children's toilet facilities, such as junior toilets and hand basins, by:

- a) Upgrading existing toilet facilities with high-use by small children (e.g Kingston Park) with consideration of cost-effective solutions.
- b) Reviewing current public toilet projects to ensure children's toilet facilities are provided where appropriate.
- c) Amending its Public Toilet Strategy to include the consideration of children's toilet facilities as a desirable internal design feature.

Background

Aiding child development, improving accessibility and safety

Children in early life require specific bathroom facilities. Kingborough Council currently provides change tables in public toilets for infants, however, there are no provisions specifically for toddlers and small children. At present, small children in Kingborough's public facilities must use the adult-sized toilets and wash basins with parental support.

In the early years, children are becoming more independent and exercising their autonomy. By providing appropriate facilities, children have access to the tools to facilitate their development (physical, social and emotional). Facilities such as junior toilets, hand basins, and soap dispensers that are designed to be an appropriate height so that a child can use them unassisted, are one important place where we can assist children in their development.

In addition, using bathrooms with small children can be a stressful experience for parents. Providing junior toilets and wash basins in our bathroom facilities will assist parents and will help reduce safety risks, for example through falls.

Maintain high-standard of public facilities

Kingborough prides itself on its status as family-friendly municipality and we offer many wonderful family destinations. This motions strongly aligns with our desire to be a family-friendly council and offer a high standard of public facilities. Children's toilet facilities are becoming common place in many locations including in the Hobart region. This includes in shopping centres and other council-maintained facilities e.g. Legacy Park at the Domain, Tolman's Hill Park. Passing this motion therefore, will bring us in line with other municipalities.

Example 1 - Children's wash-basin at Henley Beach, SA.

Example 2 - Junior toilet installed at Legacy Park.

Officer's Response

The actions contained within the motion are supported and can be incorporated into Council's current and future planning for public toilet facilities. Retrospective upgrades will be subject to design and cost considerations.
