## Categories of significance

Trees may be nominated if they are significant under one or more of the following. Please tick which criteria you think the tree meets (you may tick more than one):

1. Aesthetic significance	Trees whose form, seasonal beauty and/or placement are such that they are a significant aesthetic component of the streetscape, park, garden or natural landscape in which they grow.	
2. Size (height, circumference, canopy)	Trees of outstanding dimensions in height, trunk circumference or canopy spread for their species or for the area.	
3. Age	Trees which are particularly old either for their species or for the area.	
4. Landscape significance	Trees which occur in a unique location or context and so provide a key contribution to the environmental, cultural and/or historical landscape.	
5. Historical significance (European, Aboriginal or other)	Trees commemorating a particular occasion of broader community interest associated with an historical event or associated with historical activities.	
6. Rarity of species, variety or genome	Trees of a species or variety that is rare or of very localised distribution or has known genetic values.	
7. Unusual physical features	Trees which exhibit a curious growth form or physical feature such as abnormal outgrowths, natural fusion of branches, severe lightning damage or unusually pruned forms.	

## Reasons for nomination

Please give reasons why you think the tree(s) should be included on the Significant Tree Register. Please attached any additional information or supporting documentation (e.g. historical) which may help to demonstrate the significance of the tree.

Thank you for your nomination. Nominations are required to be accompanied by a photo of the tree(s). Nominations and photos can be e-mailed to [kc@kingborough.tas.gov.au](mailto:kc@kingborough.tas.gov.au) or lodged with Customer Service at 15 Channel Highway, Kingston.
