Location

The Get Ready for Work course will be held at the Kingborough Community Hub, a safe and comfortable space in the heart of Kingston. The facility includes a commercial kitchen, a commercial barista machine and modern training rooms.

Young people can be referred to the course by their school, college or case worker.

Schools and Colleges within the Kingborough Council area are encouraged to participate.

Course Components

Safe food handling

Participants will complete a Safe Food Handling training course with Kingborough Council's Environmental Health Officer, gaining competency in hygiene and safety practices for food preparation and handling.

Barista training

Participants will work towards completing an inhouse barista training certification with former Tasmanian VET teacher of the year, Roy Leurs. Students will gain hands on experience and expert guidance in coffee preparation and safe work practices.

Nutritional cooking

Participants will prepare a shared lunch and morning tea in the commercial kitchen. They will gain insights into nutrition and food preparation.

Responsible Service of Alcohol (RSA)

Participants will complete a certified RSA course with Scala Training (RTO), an essential qualification for working in the hospitality industry.

Provide First Aid

Participants will complete a certified 'Provide First Aid' course. This practical course will equip them with essential skills for both workplace and individual needs, enhancing their readiness for employment.

CV writing and interview techniques

Participants will be guided in creating a standout CV for their job applications. They will also practise interview techniques and develop the skills needed to make a strong impression in a job interview.

Cafe experience

Participants will serve food and coffee at a pop-up café for community members, gaining valuable experience in an authentic work environment.
